

2017-2018 INTRAMURALS

2nd Cycle

Jan. 16, 2018 – March 23, 2018

The 2nd cycle of Intramurals here at the junior high will run from Jan. 16 – March 23, 2018. A variety of activities for students in grades 5-8 (see schedule for specifics) are being offered throughout the week. We hope your child takes the opportunity to participate in some of these programs. After school Intramurals will run from 2:05 PM to 3:00 PM. At 3:00 PM students must be picked up from school or take the elementary bus which leaves the circle around 2:45. Students may participate in as many intramurals as they would like. They can go one week, miss the next week then go again the following week. Intramurals are very flexible. *Notice the different start date for volleyball.

Brief Description: **Bridge Club** - Learn to play Bridge – students will learn how to play the exciting strategy game of Bridge. **Fun with Cooking** – Have fun while cooking a yummy food of the day. This is a sign up class. Sign-up sheet is on the café door on Monday & Tuesday! **D & D Club** – Dungeon and Dragons. Students are invited to come to room 110 after school and learn & play Dungeons & Dragons. **Guided Study** – Come to the library and have a place to get your homework/projects started or completed. Ms. Mercier is available if you are in need of help. **Cool 2 to be Kind** – Based on cool2bekind.org, this is a club that promotes kindness and happy peer relationships. Students will work to create a community of helpers and complete fun projects for our school. **Fun Fridays** – different games and activities will be offered each week. See Ms. Mercier (library) to see the offerings that week. **Arts & Crafts** – Come to room 110 and make some fun and interesting crafts. **Volleyball** – come and play the game of volleyball. **Chess Club** – come and learn and play the game of chess while socializing with your friends. **Games Club** – we will play many different games while having fun socializing with peers.
