Dear Wells Junior High School Parents/Guardians:

We will be debuting a new, more streamlined online athletic program called "Rank One". This system will allow parents/guardians and athletes the opportunity to review and sign several required forms including the athletic code, emergency paperwork and Mild Traumatic Brain Injury/Consent to Treat form. These electronic forms are identical to the paper versions that have been used in the past but allow parents to save information and electronically update any changes as needed. This Rank One website/app will also have all of the games schedules for the season for all athletic teams.

Your child's student ID number: (lunch number either a 3,4,or 5 digit) is required to access your child's information.

If the WJHS Nurse's Office does not have a current physical form on file, your athlete will be shown as "ineligible to participate".

Please follow the link below to sign up for and complete the required information for this program:

If you need any help, please contact Dan MacLeod (damacleod@wocsd.org), Activities Director or Pierce Cole (pcole@wocsd.org), Athletic Director 6-12.
