

RED CROSS BLOOD DRIVE ANNOUNCEMENT

Wells Junior High School is participating in the American Red Cross Future Blood Donor Program. This program will introduce middle school students to the importance of blood donation such as the function of blood in our bodies, different components of blood and the need of donors in our communities.

Students will receive a letter requesting parents, family members and other adults to donate blood. This letter will include a donor appointment request form if you are interested in donating blood. Each student who recruits at least one person to donate will be recognized and receive a fun appreciation item from the Red Cross.

This is the information on the upcoming blood drive.

Wells Junior High School Blood Drive

Monday, June 5, 2017 from 1:00 p.m. to 6:00 p.m. in the Ward Gym
